Throughout all levels, we will:

- **Operate Safely** with health screenings, increased hand washing and sanitizing, physical distancing, and careful consideration of crowd sizes and space.
- Provide for **Synchronous Learning** to support students whose family health circumstances prevent them from attending RCS on campus with live and recorded instruction to help them keep pace with their class(es) at RCS.
- Deliver **Blended Learning** that allows us to switch between on campus and online learning if needed for quarantine purposes.

**NOTE:** The elements in each level may change as the pandemic situation, recommended responses, and local conditions change.
